

8/2/21

PHASE 5 UPDATE

- Due to changes in guidance from the CDC and IDPH we will be requiring **EVERYONE** to wear masks in the Y beginning Monday, August 2. The CDC recommends that unvaccinated and fully vaccinated people wear a mask in public indoor settings in areas of substantial or high transmission. Fulton County is currently an area of substantial transmission.
- Our Preschool, Day Camp and School Age Center programs will continue to wear masks and follow all required DCFS and IDPH guidelines.
- Temperatures will not be taken. By entering our building you will be self-certifying that you are temperature free and do not feel ill. Everyone will still need to stop at the desk to check in.
- The SAUNA and JACUZZI are now open!
- FREE Child Care for members and exercise class participants is now available by RESERVATION ONLY 24 hours in advance. Offered M-TH, 9-11 AM & 5:30-7:30 PM in the Monical's Child Care Room. Children age 2 & up will need to wear a mask to follow current DCFS guidelines.
