

Together we can build a better us!

Our Y Strong Kids Campaign makes it possible for everyone in our community to enjoy the many wonderful benefits of a Y membership. Last year we were able to provide over \$94,000 in financial assistance at a time with so many restrictions and several months that kids couldn't even come to the Y due to the pandemic.

Now we are so happy to see more kids coming after school, more seniors and more families doing activities again at the Y. These good signs mean the need for financial assistance will be even greater this year.

Your Strong Kids gift helps provide a multitude of activities, fun experiences and improved health and well being for kids and families who need a helping hand. It's a gift that really makes a difference and is very much appreciated as shown in these thank you notes we recently received.

"Being able to use your facilities in my time of need will no doubt help me to live a full life again. My family and I want to thank you from the bottom of our hearts. PS. My 3 year old son says thank you for having a pool!"

"Thank you, I appreciate your generosity. My family and I are so blessed to live in such an amazing community."

Please send your Strong Kids gift today so even more kids and families can grow in spirit, mind and body this year at your YMCA.

Most sincerely,

We All Need the Y!

In one way or another, we are all connected to the Y. Maybe it's where you learned to swim, or how to play kickball, maybe you met your best friend there and now your kids play together. The Y is a vital part of Canton and surrounding communities; a welcoming, safe place to learn new skills, connect with other and get support.

As a nonprofit organization, we try never to turn away someone who needs a membership or Y program.
Your donations fund our scholarship programs.
